

Terms of Use

Thank you for your interest in the **MVHumanNet Dataset**. By accessing or using this dataset, you agree to comply with the terms and conditions outlined below. Please read these terms carefully before downloading or using the dataset.

1. Agreement to Terms

By downloading, accessing, or using the MVHumanNet Dataset (hereafter referred to as "the Dataset"), you agree to be bound by these Terms of Use. If you do not agree with these terms, you must not use or access the Dataset.

2. Permitted Use

The MVHumanNet Dataset is provided solely for **non-commercial research and educational purposes**. Examples of permitted use include, but are not limited to:

- Academic research
- Educational purposes, such as teaching and demonstrations

You may not use the MVHumanNet Dataset for any commercial purposes without obtaining prior written permission from the dataset creators.

3. Restrictions

When using the Dataset, you agree to the following restrictions:

- **No Redistribution:** You may not share, distribute, sublicense, or sell the Dataset or any derivative works without explicit permission.
 - **No Commercial Use:** The Dataset may not be used for commercial purposes, including but not limited to the development of commercial products or services.
 - **Proper Attribution:** You must provide proper attribution to the Dataset and its creators in all publications, presentations, or works that use the Dataset (see Section 5: Citation).
 - **No Unauthorized Modifications:** You must not modify the Dataset to misrepresent its origin or characteristics.
-

4. Copyright and Ownership

The Dataset is the intellectual property of **GAP-LAB and FNii, CUHK(SZ)**. All rights, title, and interest in and to the Dataset remain with the dataset creators.

By providing access to the Dataset, we do not transfer any ownership rights to you.

5. Citation

If you use the Dataset in any publication, presentation, or project, you agree to cite the following reference:
